**A Note From Mrs. Heil**  
"God's forgiveness is what we all need, and it is the greatest sign of His mercy. A gift that every forgiven sinner is called upon to share with every brother and sister he or she meets. It is beautiful to be forgiven, but you too, if you wish to be forgiven, forgive in turn. Forgive!" – Pope Francis

### Registration

If you were not able to make any of the registration times during our March Open Registration, your next steps are:

1. Come to the school office and fill out/sign paperwork for next year.
2. Call the church office and make an appointment to sit down with Father Steve or one of the deacons to discuss the Family School Agreement.
3. Call the business office and make an appointment to sit down with Cathy Mahan or Peggy Hosford to discuss/pay tuition and fees.

\*It must be handled in this order. Every family (new and returning) must register in person for the new school year. Required registration fee

payments for registration are: \$50 per family.

We are SO EXCITED about all that God has in store for us in the coming year! We're blessed to have you be a part!

### First Eucharist

Let us pray for our second grade students who will receive their First Eucharist tomorrow during 4:30 mass. We are very proud of each of you and love you so much!

### STEM Fair: Mission to Mars

You're invited to attend our first-ever school wide STEM Fair: Mission to Mars! It will be in our gymnasium on Friday, April 20, 2018 from 9:00 am - 11:00 am. We will have a video of student and teacher interviews about the process at each level, time for you to "wander" through the class projects, and hear a Boeing engineer or two speak and help to make real-world connections for our students. We also will have present local media, the Superintendent of the Diocese, representatives from the St. Louis Science Center, and teachers and administration from other area schools. I will

tell you that our students and teachers are VERY excited about it and have been very busy working and learning and collaborating. Please come and join us in this learning endeavor! Looking forward to seeing you all!

### **Scrip**

Scrip may be purchased during regular parish office hours in the Church office. It will no longer be sold in the school office. Orders can of course still be sent to the school with children so that Scrip can be sent home with them. We will work to make your Scrip purchasing as easy as possible. Scrip is also available after most masses.
