Thank You!

THANK YOU to our STEM Team and ALL our teachers for their amazing efforts to make our first STEM Fair: Mission to Mars such a HUGE success today! Check out our Facebook page and our website soon for pictures and video of the event!

Registration

If you were not able to make any of the registration times during our March Open Registration, your next steps are:

1. Come to the school office and fill out/sign paperwork for next year.
2. Call the church office and make an appointment to sit down with Father Steve or one of the deacons to discuss the Family School Agreement.
3. Call the business office and make an appointment to sit down with Cathy Mahan or Peggy Hosford to discuss/pay tuition and fees.

*It must be handled in this order. Every family (new and

returning) must register in person for the new school year. Required registration fee payments for registration are: \$50 per family.

We are SO EXCITED about all that God has in store for us in the coming year! We're blessed to have you be a part!

Moby Max

MobyMax Individual Student Time reports:

Have your child log in to their MobyMax account. (If they can't remember their login/password, please contact their homeroom teacher) Click on the progress tab (the furthest one to the right) Once there, click on the "time summary" icon and it will show you the minutes at school and home that your child has accessed MobyMax.

I also recommend checking their progress by clicking on the "progress" button.

Welcome Signs

If you still have a "Welcome to St. Ambrose" yard sign, please return it to the school by May 1.

Scrip

Scrip may be purchased during regular parish office hours in the

Church office. It will no longer be sold in the school office. Orders can of course still be sent to the school with children so that Scrip can be sent home with them. We will work to make your Scrip purchasing as easy as possible. Scrip is also available after most masses.
