A Note From Mrs. Heil

Here we are about to enter the LAST MONTH of the school year! Amazing! Our virtue for the month of May is Patience. "Patience is not simply the ability to wait; it's how we behave while we're waiting." – Joyce Meyer

May God grant us the Patience and Perseverance to finish strong!

Registration

If you were not able to make any of the registration times during our March Open Registration, your next steps are:

1. Come to the school office and fill out/sign paperwork for next year.
2. Call the church office and make an appointment to sit down with Father Steve or one of the deacons to discuss the Family School Agreement.
3. Call the business office and make an appointment to sit down with Cathy Mahan or Peggy Hosford to discuss/pay tuition and fees.

*It must be handled in this order. Every family (new and returning) must register in person for the new school year.

Required registration fee payments for registration are: \$50 per family.

We are SO EXCITED about all that God has in store for us in the coming year! We're blessed to have you be a part!

Spirit Wear Survey

The Spirit Wear Team would like your input! Please take this short 10 question survey about the current spirit wear program. Thanks in advance for sharing your opinion!

Moby Max

MobyMax Individual Student Time reports:

Have your child log in to their MobyMax account. (If they can't remember their login/password, please contact their homeroom teacher) Click on the progress tab (the furthest one to the right) Once there, click on the "time summary" icon and it will show you the minutes at school and home that your child has accessed MobyMax.

I also recommend checking their progress by clicking on the "progress" button.

Scrip

Scrip may be purchased during regular parish office hours in the Church office. It will no longer be sold in the school office. Orders can of course still be sent to the school with children so that Scrip can be sent home with them. We will work to make your Scrip purchasing as easy as possible. Scrip is also available after most masses.
